DaFont is an enormous archive of freely downloadable fonts. 2. 78. You Work For Them Browse hundreds of mockups for your next design project via YouWorkForThem. Unsplash Another stock photo graphers, all uploading free stock pics for you to download and use. Site Palette Need to get the essential colours from a website? 19. 79. Color Hunt Color Hunt is an open collection of beautiful colour palettes created by Gal Shir. 33. But should you need access to more, the site allows you to upgrade. Flaticons Over 2,400 royalty-free flat icons on various themes. DOI link for Graphic DesignGraphic DesignGraphic DesignGraphic Design book We're talking the highest quality, non-cheesy stock imagery and videos, illustration templates when you sadly can't afford anything bespoke, and millions of icons to serve just about any purpose. New Old Stock This does exactly what it says on the tin: vintage photos from the public archives, free of known copyright restrictions and with the aim of recapturing history. 88. But designers, ensure you keep a record of where you sourced each stock picture from for future reference. When a stock image just won't do, here are some wonderful suggestions for free video footage brought to you from other creative Generous communities or major brands wishing to return. No catch. You can browse popular fonts by themes, name or style. However, the free version offers a lot to you. But forget the heavy text pages: instead, the USTWO PPP 2 uses a tricky or good theme, with simple graphics and minimum text to convey the point quickly and simply. "For this latest version, we wanted to put additional focus on the main principles of digital design, making the PPP manual a better resource for people who want to learn more about this exciting field, not just somewhere for Photoshop professionals (opens in new tabs) looking to find new tips and techniques (although there are much more of those in there too!) ", Explains the main gyppsy of Ustwo, also known as Tony Dones." We also thoroughly review and expand the accessibility chapter to try to disclose the message about how important it is to consider this in your products and also highlight the fact that affordable design = good design! "So? Whatever your age or experience, graphic designers like to be challenged creatively and may also want to broaden your skills base to invade new and profitable areas of the design industry. The source squirrel click on this site and you promised a "free fonts check". 63. Founded in 2006, the site is a designer-centric typography site with fonts divided into different styles. It's just an amazing community of designers who share and generate their own inspiring palettes. 54. Read it! Have you read an e-book that helped increase your design skills? Just choose a device, add an image of your design or screenshot, make some changes to the look and download and disable you. But sometimes customer budgets simply don'tCanva is a design and on -line design tool with the mission of enabling everyone in the world to project anything and publish anywhere.
